

From October 1st, 2021

Mandatory to Enroll in Bicycle Insurance

Due to the ordinance revision, all bicycle riders are mandated to have a bicycle insurance such as bicycle casualty insurance from October 1, 2021 in Kumamoto prefecture. Please check if you carry a bicycle casualty insurance with the chart below.

Do you carry any of insurances to compensate (with money) when you injure others in bicycle-related accidents?

Yes

Not Sure

No

Does your bicycle have a TS mark sticker on it?

※Must be within one year from the last inspection date

【reference】 The coverage limit varies depending on the color of the sticker.
Red . . . 100 million yen Blue . . . 10 million yen

Yes

Not Sure

No

Do you carry a car insurance, a fire insurance, or an accident insurance?

Yes

Not Sure

No

Do you carry any of the following: a mutual-aid insurance plan, a group insurance (through your employment or a school organization, such as for the PTA,) or a bicycle member of the Traffic Safety Association?

Yes

Not Sure

No

Do you own a credit card?

Yes

No

Is the personal liability insurance included as the basic coverage or the special contract?

Yes

Not sure

No

You have already carried a bicycle casualty insurance.

Please check with your insurance agent or mutual aid agent.

※ If there is no equivalent coverage, please take out a bicycle casualty insurance.

Some bicycle accidents have resulted in high compensation claims of nearly 100 million yen.

Please enroll in bicycle casualty insurance.

※Please refer to the Kumamoto Prefecture website for bicycle liability insurance. →

+ One point Confirm the Level of Your Insurance Compensation Sufficiency

Coverage:

Contractor only Includes family members
